## PHILOSOPHY

The philosophy of Hassan College of Nursing is congruent with the philosophy of Hassan Medical complex Health Center and reflects the belief of the faculty and administration that each individual is sacred and possesses inherent personal worth and dignity. We believe that each student is a unique being whose culture, intellectual development, and spiritual attributes affect his/her ability to seek, find, and use health information and resources in order to critically think and make decisions using evidence-based information.

## VISION

The Hassan College of Nursing is a leading institute in the field of nursing education that ensure outstanding educational outcomes exemplified by graduates who will be recognized for excellence, leadership and compassionate care nationally and internationally.

## MISSION

To provide conducive learning environment to the student without any discrimination based on their color, race, and gender, and marital status, sociocultural, religious and political background.

To educate and inspire students to become passionate healers who demonstrate integrity, innovation, caring attitude, excellence in service delivery and culturally appropriate care.

To equip the students with knowledge and skills utilizing evidence based teaching and learning methodologies.

## OBJECTIVES OF THE COLLEGE

- To provide quality education to enable individuals to realize their full potential to meet the needs of a wide range of health care system and social setup.
- To prepare individual who can provide safe and culturally appropriate care to the patients, families and communities.
- To facilitate and supervise students' learning in skills performance.
- To produce care providers who can practice safe, holistic and effective patient/family centered care by using science-based frameworks to promote and maintain health, prevent disease, and manage illness.
- To enhance therapeutic communication skills and build character, professional ethics and moral values.
- To guide students for research activity and build research links locally, nationally and internationally for setting and boosting up the culture of research.
- To enhance leadership and management skills in order to improve health care system.

## MESSAGE FROM THE DIRECTOR HCN SWAT

A warm Welcome in Hassan College of Nursing and Allied Health Sciences. This is an exciting time to be embarking on a career in healthcare and the ever changing field of nursing. It's a matter of pride to be a nurse in the present millennium the nurses are faced with the challenges of advancing technology, informatics system, modern demands & Development. Our mission is to develop competent students with good value system. Capable enough to face challenges of the ever changing and competent world. Experience and quality faculty members are part of the system to nurture students. Individual talents and innovations are constantly encouraged by the management to achieve excellence in education discipline and ethical behavior are given utmost importance in the process of molding students in different branches. It can firmly assure that the students are not only trained for becoming a nurse but to become a perfectionist in this nursing profession Wish you all the best. Shawkat Zarin

**RN, BSCN.DIPICU/CCU, MPH.**

## INTRODUCTION TO THE COLLEGE

The Hassan College of Nursing and Allied Health Sciences Swat is a non-profit organization that utilizes research proven teaching and learning methodologies to educate students across the country.

The Hassan College of Nursing (HCN) was established in 2018. Initially, it started functioning in Hassan Medical Complex Swat. The college shifted in current building in 2020.

The HCN is registered with Pakistan Nursing Council Islamabad vide letter No PNC F-7-186-Admin/2019/2753 (Sept 5<sup>th</sup> 2019), affiliated with Khyber Medical University (KMU) under the No. 1808/Dir/Admissions/KMU (Oct. 1<sup>st</sup> 2020) and Higher Education Regulatory Authority (HERA) Registration No.376/COLLEGES (Nov. 13<sup>th</sup> 2019) and Nursing Examination Board Peshawar.

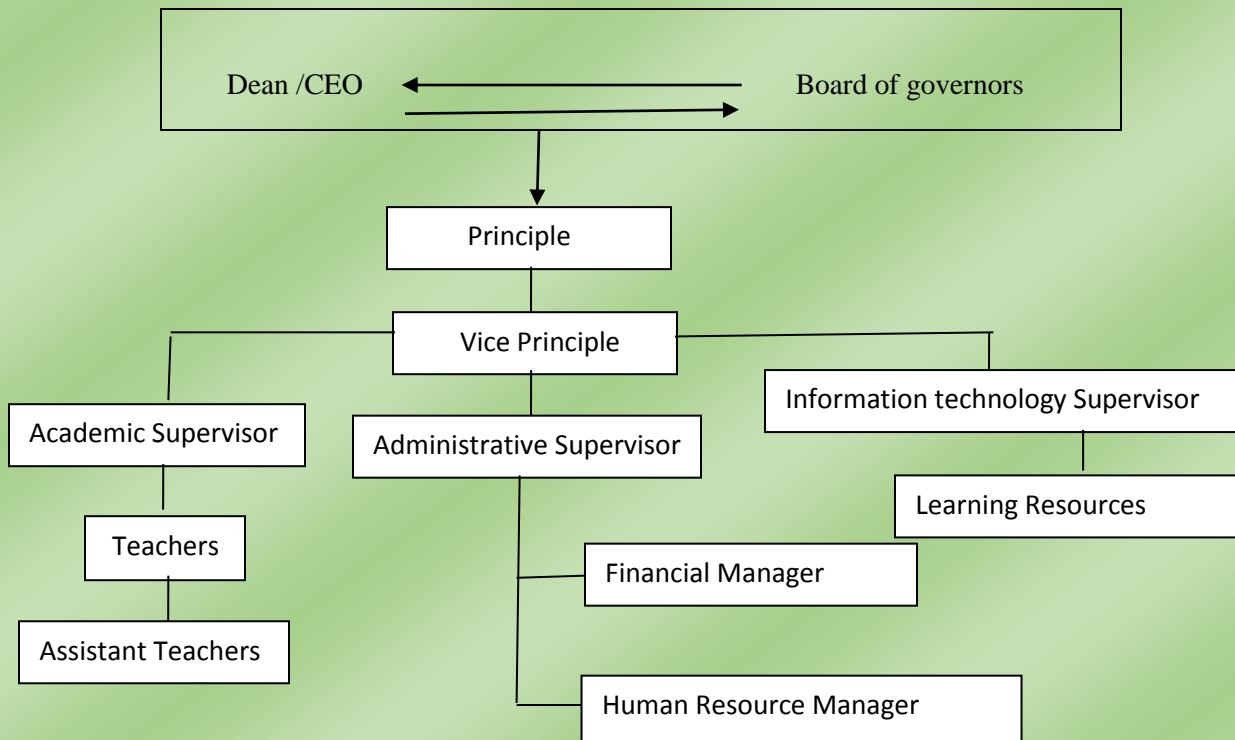

The HCN took its first batch of 4 years BSc Nursing, 2 years LHV (diploma) and 2 years CMW (diploma) in 2020.

This College is equipped with all the latest teaching learning resources, enthusiastic faculty and supporting staff. The HCN is a platform for nursing students to achieve the desired outcomes for higher education.

# HASSAN COLLEGE OF NURSING AND ALLIED HEALTH SCIENCES SWAT

## ORGANOGRAM

## LEARNING RESOURCES AT HASSAN COLLEGE OF NURSING SWAT

### Classroom teaching:

The classrooms are equipped with modern teaching and learning facilities including multimedia, LEDs and white boards.

### Skills Lab:

The skills lab is organized to create a simulated learning environment for the student to learn all the nursing skills prescribed by the curriculum. To avoid trial and error practice, the skills lab provides an opportunity to the nursing students to learn the psychomotor skills and practice these skills before performing on the real patients in variety of health care settings. It is equipped with all the required resources to enhance the critical thinking and decision making skills of the students.

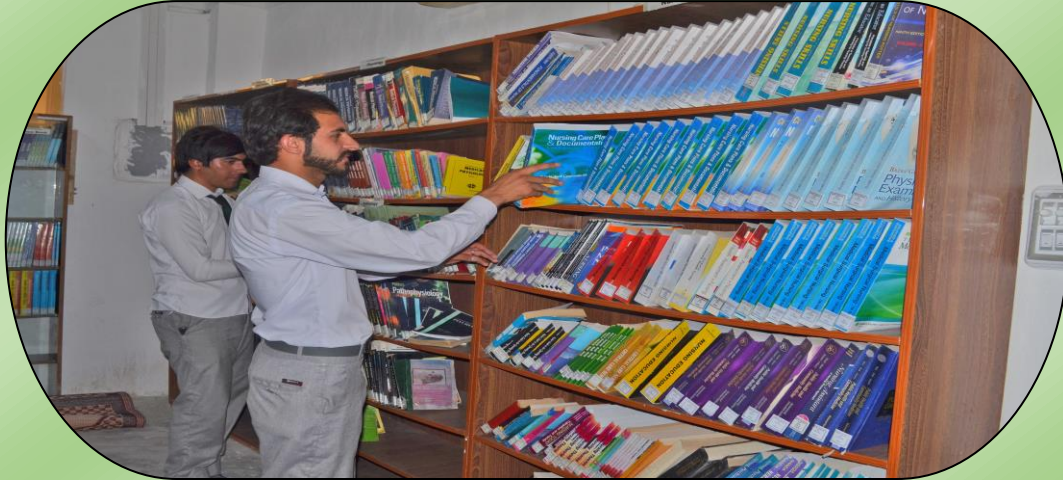

### SCIENCE LAB

Science Lab is also an integral part of the nursing education. The HCN provides separate facility of science lab for its students to do science experiments under supervision of qualified and expert faculty. For the purpose of implementation of curriculum, the science lab is equipped specifically to teach laboratory investigations, experiments necessary for life sciences, biochemistry and microbiology subjects.

## Library:

HCN has its own library containing all the updated books and journals. The students have access to internet and Wi-Fi facilities. One portion of the library is allocated for digital lab. Students can access E-books and research journals.

## Computer Lab:

To cater the need of the modern teaching and learning means the HCN has its own computer lab which is fully equipped with latest computers. Computer based courses are supervised by the specialized faculty.

**Additionally, considering the “parda” observing culture of this region a separate computer lab for the female students is also made available.**

## ANATOMY LAB:

College also has a well-equipped anatomy lab

## Hospital and Community Based Clinical Facility:

For the clinical experience the college is affiliated with Saidu Teaching Hospital Swat, where the students get exposure to a number of clinical disciplines. As a curriculum requirement the college arranges clinical in different specialized fields and community visits for its students.

### Co-curricular/ Extra-curricular activities.

HCN arranges Sports Gala, cultural day, and field trips for the students. Students of HCN also participate in different character building activities arranged by different organizations such as British council, Red Crescent association etc. They also have the opportunity to arrange and participate in celebration of special events like International Nurses Day, Pakistan Day, Milad Shareef etc.

# ACADEMIC PROGRAMS

## EDUCATIONAL PROGRAMS

The college is presently offering the following three programs:
